# WHAT'S NEW?

---

The answer is more – a whole lot more. The 2022 collection is packed with today's most popular trends to wow your customers. With four new brands and over 150 new styles, we have curated a collection that is sure to put you and your customers on the forefront of fashion.

We are proud to introduce **Atlantis Headwear**, a brand committed to designing and manufacturing high-end accessories that do right by the planet. To Atlantis, a hat is much more than an accessory; it is a head-on declaration of what we are and what we want to be. We are also adding **Kastlfel**, an industry leader in creating better products through thoughtful decisions every step of the way. This brand designs and creates garments by ensuring the manufacturing process is fairly, ethically, and sustainably handled from start to finish. **Paragon**, a division of Century Place Apparel and market-leader since 1982, is proudly joining the S&S portfolio. They offer performance apparel with cutting-edge technology and design. Expect to see great examples of moisture-wicking, anti-microbial, snag-proof, and wrinkle-resistant products with 4-way stretch and UPF50+ sun protection. Last but certainly not least, **SoftShirts** is the final brand joining the S&S offering this season. The goal of SoftShirt's is to bring premium shirts to the wholesale market. They've scoured the world for the finest, softest, and most resilient cottons to make their fabrics, a search that culminated in an all-natural shirt that both feels and looks good.

We are thrilled to introduce these new brands to the S&S family, but that is definitely not all. Check out the newest styles and colors from your favorite brands, like adidas, Alternative, Burnside, Columbia, DRI DUCK, Independent Trading Co., Richardson, and so many more. At S&S, we are committed to partnering with you to bring you the best and brightest in the industry. Together, we can make 2022 the best one yet.
